

INSPIRED TEAMBUILDING

You are spoilt for choice in the Lakes with superb hotel facilities and awe inspiring activity options. We work with a number of team building organisations who know how to cater for companies large and small. Laid back relaxation or nail biting adventure - you can't go wrong.

Away from it all...

Just get out of the office! - it may not be the company AGM or a department team bonding session, but perhaps a few work colleagues want to get away from the office for a relaxing break or some mad adventure.

Real Action - try kayaking, quad biking, sailing or the dare devil zip wire

Relaxation - country walks, relaxing spa treatments, leisure facilities

What could be better than a weekend away or a romantic candlelit dinner for two? Why not consider "experiences" as Christmas presents this year.
