The Skiddaw Hotel

Great poets, writers and painters have over the years been inspired by the Lake District and have described it as the most romantic place in the world and who could argue with that?

With stunning lakes and spectacular mountains, sparkling rivers and cascading waterfalls, breathtaking flora and fauna and its charming villages and towns the Lake District really is a romantic paradise.

In the midst of all this beauty in the heart of the picturesque town of Keswick lies the Skiddaw Hotel. Imposing yet welcoming, this historic hotel provides an oasis of warm hospitality in elegant, comfortable surroundings.

Step inside and experience traditional Lakeland hospitality at its best.

Fabulous accommodation for you and your guests

Most of the 43 ensuite rooms have been carefully refurbished to the highest standard and offer the hallmark of a first class hotel.

For that special touch you can upgrade to one of the Summit or Four Poster Rooms, which have been tastefully and individually designed and offer towelling robes, trouser presses, bottles of sparkling water and a newspaper each morning.

The Wedding Breakfast

The food and the drinks are a big part of the day and you can rest assured that you are in good hands at the Skiddaw Hotel. Our head chef, Brian Alston's menus are presented simply with slavish respect for fresh and seasonal ingredients, sourced – whenever possible – from the abundance of local suppliers around Cumbria.

The popular well priced drinks packages have been carefully selected and designed to compliment each course on the menu.

A Choice of Function Suites

The Skiddaw Hotel offers you a choice of function suites seating up to 90 guests for your wedding. The civil wedding ceremony is a more informal way of getting married, when the registrar comes to the hotel and performs the legal part of a civil ceremony and family and friends gather to watch this special occasion.

The function suite can be decorated with flowers and your favourite music can be played, so all your expectations of a wonderful and memorable day are fulfilled. As we have several years of experience in performing civil wedding ceremonies at the Skiddaw Hotel we will be able to help you with any questions you may have.
